FAX. (02)9750-9406, Int. +61-2-9750-9406

Euro Extender Card.

Euro-Extender-2 (64 tracks Single sided Max current 1.5A/Track)

The Picture above shows the Extender Board, which is 250mm Long with 150mm Long support arm to support the board under test. Euro-Extender-2 can now be made for 41612 connectors type "B" rows **a + b** or type "C" rows **a + c**.

J.B. Sound Industries Pty. Ltd. uses the 41612 type "B" for all our current products but we can make a type "C" extender if required for your requirements.

The Picture below shows an extender board with a type "C" connector using rows **a + c**.

Call J.B. Sound Industries Pty. Ltd to discuss your requirements.
